

SHOULDER PRESS E-1006

- Intelligent ergonomic design features comfortable, oversized grips with multiple positions, adjustable seat pad for desired start position.
- Converging axis design to replicate the body natural movement.
- Ergonomics neoprene handle designed for maximum control and efficiency.
- All adjustments are identified with yellow knobs for easy recognition.
- 5/16" diameter weight selector pin magnetically locks in place and includes a lanyard to prevent loss.
- Placards, placed in the most visible position, provide step-by-step instructions, as well as pictures to illustrate proper use and muscles trained.
- Hand grips secured in place with aluminum collars, comprised of an extruded rubber compound that is non absorbing and wear resistant.
